The Hamister Group, Inc. Named One of Western New York's Fastest-Growing Companies

Company included on annual Business First "Fast Track" list

WILLIAMSVILLE, NEW YORK – For three consecutive years, The Hamister Group, Inc., a leader in health care and hospitality management, has been designated as one of Western New York's fastest-growing companies by *Buffalo Business First*. The publication's annual Fast Track list ranks the top 50 fastest growing companies in Western New York based on growth in total sales and number of US employees over a three-year period. The Hamister Group, Inc. was recognized on the 2011 list for its growth rate and total sales revenue. The company also made the list in 2010 and 2009.

The Hamister Group, Inc. is a leader in health care and hotel management, with over 30 years of experience and a solid management portfolio in the eastern United States. For more information, visit www.hamistergroup.com.
