Orchard Heights, Inc. Celebrates 20 Years

ORCHARD PARK, NY – This month, Orchard Heights, Inc. hosted an event to commemorate its 20th Anniversary. The Assisted Living and Memory Care residence opened in 1991 with the objective of creating a unique community where residents would truly feel at home and genuinely cared for. Orchard Heights provides its residents an exceptional fine dining experience, enhanced recreational programming, and individualized 24/7 nursing care.

Chairman and CEO Mark Hamister presented at the event and recognized the residence's co-workers for their dedication in providing the highest level of care for the residents over the past 20 years. At the conclusion of the event, Mark was presented with an award of appreciation from the Orchard Heights resident counsel thanking him for his services to the community and residents.

Orchard Heights, Inc. is owned and managed by The Hamister Group, Inc., a healthcare and hotel management company located in Williamsville, NY. For more information, please visit www.hamistergroup.com.
