

HEALTH SERVICES OF NORTHERN NEW YORK, INC.

Health Services of Northern New York, Inc., an affiliate The Hamister Group, Inc., is seeking multiple Registered Nurse Case Managers. These new growth positions will be responsible for overall care coordination and case management for a group of clients. Our Registered Nurse Case Managers conduct home visits for assessment and development of care plans or skilled interventions as part of the clients' ongoing care plan. They provide patient assessments, complete nursing procedures, and conduct patient teachings that are included with the patients' individual plan of care. The RN Case Managers also act as liaisons between physicians as the client, maintaining ongoing communication with home care team, and instructing and guiding other clinicians to promote more effective performance and delivery of quality home care services. They keep detailed and thorough records of their work.

If you bring a valuable skill set and passion to the table apply at <http://www.hamistergroup.com/hsny/application.html>.
